

Shuswap Ringette Association

Dressing Room Policy

This policy is a reminder to emphasize to all players the importance of “good housekeeping”. It is the responsibility of all Team Staff and Players to treat our own facility, as well as the ones we visit, with respect. To this end, we should instil in our players the practise of cleaning up after games and practices. It is encouraged to Coaches to adopt a zero tolerance policy with respect to wilful defacing and/or destruction of these facilities.

Due to the privacy of players, there shall be no cell phones or cameras permitted in the dressing rooms.
